**STATEMENT OF FACTS SUPPORTING PETITION TO REVIVE UNAVOIDABLY
ABANDONED APPLICATION OR LAPSED PATENT (37 CFR 1.137(a))**

Sir:

Applicant hereby petitions that the subject application, which is presumably presently abandoned, to be revived.

Applicant's attorney (the undersigned attorney) did not ever receive from USPTO a copy of the Office Action dated August 4, 2009 (hereafter "missing Office Action") allegedly send by the USPTO on such date.

On February 23, 2010, Applicant's attorney received a Notice of Abandonment dated February 17, 2010 (copy attached, see date received stamp). That same day, Applicant's attorney accessed PAIR and obtained a copy of the missing Office Action. The docket stamp on the front page of Applicant's copy of the missing Office Action indicates receipt on February 23, 2010 (copy attached). On or about that same day, Applicant's attorney searched its office and file for such patent application for any evidence of receipt of the missing Office Action; no such evidence was found. Applicant's attorney docketing system also showed no existence of the missing Office Action.

As such, Applicant and Applicant's attorney were not aware of the existence of the missing Office Action until receiving the Notice of Abandonment. This petition is being submitted within two months of the Notice of Abandonment. Consequently, it is submitted that the entire delay in filing the required reply from the due date for the reply until the filing of this petition was unavoidable.

Respectfully submitted,

/C. Douglass Thomas/
